

Student Success Plan

Intake Form - Part I

Name

SU ID

Date

Your Student Success Plan will help support your success.

- State why you are in college and why you chose your health profession
- Describe your academic experience, strengths, goals, and available resources
- Develop plans for instructor communication, self-reflection, and support meetings

PART I - COMPLETE PRIOR TO MEETING WITH STUDENT SUPPORT OR ADVISOR

Why would you like to pursue your college education now, and why did you choose your health profession?

After graduation, I plan to use my earned certificate/diploma/degree to:

My Strengths and How I Will Use Them

My Strengths	How I will use these strengths to succeed in college.

My Challenges and How I Will Address Them

My Challenges	How I will address these challenges to succeed in college.

Examples: family commitments, study time, housing, internet, work schedule, income, social media, video games.

Student Success Plan: Intake Form

MY SUPPORT SYSTEM

People who support me	How they might support me while I attend school.

COMMITMENTS OUTSIDE OF SCHOOL

My commitments outside of school (such as work, sports, or family commitments):

MY STUDY HABITS

Reflect on the ways you currently study and how your habits may need to grow or change.

Ways I study	Evaluation / changes that may help me succeed in my courses

Before You Submit

Review your responses and make sure each section is complete before your meeting.
When completed, email the form to Academic Success Coordinator | ijc91@su.edu
